Re: U.S. Patent Application Serial No: 10/798,810
For : CLAMPS
Filed: March 10, 2004
Inventors: Yinka Davies & Raymond Adewunmi

Dear Mr. Ramirez

We thank you for your email and we ask you to make reference to the correspondence from DARBY & DARBY (to be attached to this communication and originally dated February 24, 2005).

Mr Jack Laredo of Laredo & Associates, was originally given Power of Attorney to act on our behalf (Yinka Davies & Raymond Adewunmi) for all matters concerning the process of applying for a U.S patent for our CLAMPS (Serial No. 10/798,810). Mr Laredo passed away recently, and an offer of continued work in reference to the application was made by DARBY & DARBY.

In the first instance, as Jack is now deceased, by default the Power of Attorney returns to us (Yinka Davies & Raymond Adewunmi), and we are officially stating and acknowledging that this is the case.

With this being the case, we will not be requiring the services of Darby & Darby at this time, although we may do at a later date.

The brand name 'Ucosy', Rayink and the Rayink logo are registered Trademarks of Rayink Limited. Rayink Limited, Copyright 2002

With the Power of Attorney returned to us, please find attached revised Claims for our CLAMPS.

We await your response and further instructions.

Yours Sincerely

Yinka Davies

And

Raymond Adewunmi

Two handwritten signatures are present. The first signature, for Yinka Davies, is a stylized, cursive 'Y' with a horizontal stroke. The second signature, for Raymond Adewunmi, is a more complex, cursive signature with a long horizontal stroke at the end.
